

ACCELERATE TO ACADEMIA

WITH MUSC'S COLLEGE OF GRADUATE STUDIES

College of Graduate Studies

THE PROGRAM

MUSC's College of Graduate Studies is excited to announce a series of short workshops focused on the development of a research-intensive academic career (i.e., research tenure-track path), **Accelerate to Academia (A2A)**. If you are a MUSC graduate student or postdoc committed to such a career path, then you are invited and encouraged to apply.

THE MISSION

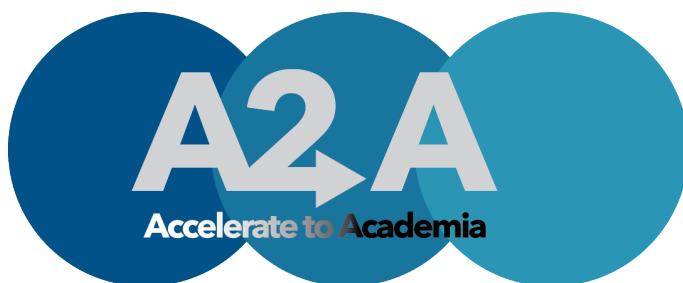

- Prepare MUSC graduate students and postdocs for a career in academia focused on scientific research
- Help students and postdocs develop a research niche that fits them and is cutting edge
- Offer guidance from faculty on what it takes to develop an academic research career

HOW TO REGISTER

[Click here to register](#). Registration fee is \$15.

Please register by March 28, 2022

Sessions will begin in early April and continue through the week with sessions that will include panel discussions with academic professionals sharing insights into finding your research niche, perspectives from early career faculty and senior faculty.
